Cell Phone: _____

Please provide complete responses to the questions below. Feel free to answer the questions directly in the space provided or in a new document. If answering in a separate document, be sure to clearly identify which question you are responding to. **All responses must be typed.**

1. **What do you feel is the biggest challenge facing Nebraska's corn and/or soybean industry?**
2. **What do you feel is the biggest opportunity for the future of Nebraska's agriculture industry?**
3. **Why do you want to be a part of the 2018 Corn & Soy Collegiate Ambassador Program?**
4. **What do you hope to learn from your ambassador experience, and how will you use the knowledge gained from this experience to become a better advocate for agriculture?**
5. **This program is a yearlong commitment, beginning in January 2018 and concluding in December 2018. Throughout the year there will be various events and activities that you will be asked to attend. What other commitments do you have for the upcoming year and will you be able to make this program a priority in your schedule?**

Be sure to include a current copy of your resume.
